K. M. HULI RAO,
District Lock-up Officer.

MYSORE JAIL.

Notification dated 21st September 1939.

1. Notice is hereby given that sealed tenders will be received up to 8-30 A.M. on Monday the 20th November 1939 by the Superintendent of the Mysore Jail, for the supply by contract of the following articles required for the use of the Manufactory Department of the Mysore Jail, from 1st January 1940 to 31st December 1940, both days inclusive. No tender will be received after the hour and date abovementioned.

2. *Tenders will be superscribed as follows.*—"Tenders for the supply of miscellaneous articles required for the use of the Manufactory Department of the Mysore Jail."

3. No tenders will be received unless accompanied by a deposit of Rs. 200 all in treasury receipts, together with samples for such of the articles marked with asterisk. No cash will be received.

4. Tenders will be opened by the Superintendent of the Mysore Jail at his office on the date and hour abovementioned, in the presence of such of the tenderers as may choose to attend.

5. All tenders must specify the rates both in words and figures at which the following articles can be supplied, and the rates should hold good for the full period contracted for. No application for enhanced rates will be considered and all articles supplied are to be of good quality.

6. The Inspector-General of Prisons does not bind himself to accept the lowest or any tender and he may reject any tender without assigning any reason for it.

7. The deposits of the successful tenderers will be retained and will be forfeited if they fail to execute the contract bond or to furnish security to the amount of Rs. 50 (fifty rupees) in cash or Government paper, within one week from the date of acceptance of their contracts being made known to them.

8. The contract for supplies shall be entered into, for the whole of 12 months of the year 1940 at the end of which alone final adjustment of accounts will take place. In the meanwhile, to facilitate supplies, advances to the extent of the value of supplies made in a month, will be made to the contractor at the end of that month, by which time, bills with vouchers must be submitted duly signed by him (contractor) in the presence of the Superintendent. The amount thus advanced will be set off against the amount payable to the contractor at the end of 12 months for things supplied by him. These advances are not liable to be attached by civil courts.

9. A fine not exceeding Rs. 25 will be levied at the discretion of the Superintendent of the jail, and subject to the approval of the Inspector-General of Prisons in each case for any infringement of the stipulation of the contract, or for the supply of inferior articles, and if frequently violated, the contract may be annulled and the security confiscated to the Government.

10. The decision of the Inspector-General of Prisons will be final in all questions of infringement of contract.

11. The contractor whose tender is approved must bind himself to supply at ruling market rates any other article required for jail use, although not tendered for.

12. Any further information can be obtained by applying to the Superintendent of the Jail.

13. The accepted tender will be subject to confirmation by the Inspector-General of Prisons in Mysore, who reserves to himself the right of rejecting all or any of the tenders.

14. If the contractor is unwilling or unable to carry out his agreement he shall give at least one month's notice and shall be liable to forfeit the security money to Government.

15. The contractor will also be bound to make good to Government any loss which may arise from his failure, or by Government having to purchase the articles specified in the contracts in the local markets at higher rates than those contracted for. All condemned articles should be removed immediately out of the jail premises by the contractor; otherwise the same will be put outside the jail gate at contractor's risk. The contractor or his agents shall have no direct dealings whatsoever with prisoners.

16. No concession of any kind will be allowed in the contracts, the quantities noted in the schedule are not gauranteed.

17. The Superintendent is not bound to purchase all the articles noted in this list.
